MINNESOTA ONCOLOGY

2022 Party in the Park Program

We're back...and so is the Party in the Park! We are honored and excited to be back to chair the return of Party in the Park at Como Park! Last year's Party in the Park(ing) Lot was a great event, but we are delighted to be back to where it all began over 20 years ago. We have been attending this event since Michael's Synovial Sarcoma diagnosis in 2006. At that time, we were referred to Rein in Sarcoma and the Party In The Park by Dr. Clohisy. We enjoyed the survivor camaraderie and socializing with the doctors in the informal setting. From the beginning, we felt compelled to donate and volunteer to pay back the support we received. Over the years, we have assisted with Party in the Park, the Patient and Family Support Committee, and attended Fall Fundraisers, Mini-Medical schools, and Winter Gatherings. We hope to continue the RIS mission of supporting sarcoma survivors and loved ones, fundraising for medical research, and heightening sarcoma awareness through education initiatives. After a virtual and modified events the past two summers, we are so glad you are here in person and back at Como Park! We are together to celebrate, share with one another and honor our loved ones! We continue to support patients and families, raise critical research dollars and educate the medical community and the public about sarcoma cancers. We carry on the legacy of Karen Wyckoff and her vision of a world without sarcoma cancers. We are so grateful for all the volunteers that share their time and talents to advance the mission of Rein in Sarcoma.

Thank you all for supporting the mission. *Mike and Brenda Schurhamer*
